Tax Classification — Important

Classification	Notes
Default (Disregarded Entity)	Income/losses flow to your Schedule C. Simplest option for sole member starting out.
S-Corp Election (Form 2553)	Can reduce self-employment tax once profits exceed ~$40K. Consult your CPA — may complicate adding partners later.
Partnership (when 2nd member added)	Once a partner joins, LLC auto-converts to partnership for tax purposes. File Form 1065 annually. EIN does not change.

Recommendation: Start as disregarded entity (default). Revisit S-Corp election with your CPA when AcreProfit revenue is established.
